**Writing Wednesday - Your life is TOUGH / Your life is EASY**

**On Loose-Leaf paper, respond to ALL THREE of the following Writing Wednesday prompts with One Paragraph EACH.**

**Paragraph 1.** Which teacher on your roster has had the **toughest** life so far? How can you tell? What difficulties has he or she faced in life? How has this shaped who this teacher is?

**Paragraph 2.** Which teacher on your roster has had the **easiest** life so far? How can you tell? What types of things came to this teacher easily? What type of experiences does this person take for granted, or fail to appreciate? (Ask your neighbor if you do not understand these questions.)

**Paragraph 3:** Choose one of the above teachers, and write a **One Paragraph** narrative of how he or she spends Saturday morning, afternoon, and evening. Use details and transition words. Remind the reader of the toughness OR ease with which this teacher spends 18 hours on Saturday.
