

## Research Topics from House Foreign Affairs Report:

The Wuhan institute of Virology put a bio-weapon expert as the head of the lab. What does this mean?

Dr. Shi Zeng-li and her team conducted gain of function research on coronaviruses. How do we know this?

In the middle of the night (between 2:00 and 4:00) on September 12, 2019 the Wuhan institute of virology removed a key database, forever, without explanation. Why?

Baidu (Chinese Search Engine, similar to Google) searches for “coughing” and “diarrhea” going up *sharply* in November 2019 in the area surrounding the Wuhan Institute of Virology. What could explain this dramatic increase?

Was SARS-Co-V2 genetically modified?

The Chinese Communist Party (CCP) and the World Health Organization (WHO) went to great lengths to cover up the initial epidemic, and how their cover-up likely turned what could have been a local outbreak into a global pandemic.

Germany, France, Italy, and Sweden all had infected athletes from The 7th International Military Sports Council Military World Games (MWGs) which opened in Wuhan on October 18, 2019. Why is this date important?
